

Functional Skills Support Programme

Eastern Region

Functional Skills in the contexts of: Foundation Learning, Diplomas & Apprenticeships

Two FREE 1-day training courses for the Learning & Skills sector
11 Feb, Goldsmith Centre, Letchworth

24 Feb, Denny Bros, Bury St. Edmunds

Aim:

This day aims to offer participants the opportunity to attend two workshops in the contexts of Foundation Learning, Diplomas and/or Apprenticeships.

Target audience:

- Managers responsible for Functional Skills development
- Functional Skills, Key Skills and Skills for Life tutors working in these contexts
- Tutors involved in embedding Functional Skills in these contexts

Content:

On this training course we aim to;

- summarise national policy on functional skills within Foundation Learning, Diplomas, Apprenticeships and the wider 14-19 agenda
- identify the value of Functional Skills within Foundation Learning, Diplomas and Apprenticeships
- use knowledge of approaches to teaching and learning to plan Functional Skills delivery within Foundation Learning, Diplomas and Apprenticeships
- identify suitable resources for delivery
- explore appropriate models for whole organisation and partnership delivery.

To book:

To book your place at this event, please contact Christine Stewart, Events Co-ordinator by e-mail at christine.stewart@acer.ac.uk, with event name, your name, contact details, organisation and any special or dietary needs.
